92 Iron Horse 2009 Estate Chardonnay (Green Valley); \$27. With appealing pineapple, orange, pear and green apple flavors enhanced with the vanilla and buttered toast of oak, this is a delicious Chardonnay. Its bright acidity makes it clean and mouthwatering. It's as good as the winery's more expensive Chards, making it a relative bargain. Production was 4,200 cases. *Editors' Choice.* —S.H.
