

2019 Classic Vintage Brut

The **2019 Classic Vintage Brut** is considered the “flagship” of the Iron Horse bubbly. It shows everything the family strives to accomplish, striking memory bells that say “champagne” in quality and finesse, but with flavors that are unmistakably Sonoma County, Russian River, Green Valley and most distinctly Iron Horse.

Technical Data

Appellation: Green Valley of Russian River Valley

Blend: 67% Pinot Noir 33% Chardonnay

Alcohol: 13.5% v/v

Acidity: 7.0 g/L

Residual Sugar: 6.9 g/L

pH: 2.99

Malolactic Fermentation: None

Harvest Dates: August 20 - September 18, 2019

Date Bottled: May 26 - July 1 2020

Release Date: Current disgorging January 2023

Total Production: 2,150 Cases

Suggested Retail Price: \$58.00

Artisanal Winemaking: Hand harvested in the chilly fog of early morning, our Pinot Noir and Chardonnay grapes are gently pressed as whole clusters yielding base wines of great delicacy. The juice ferments slowly at 62° to 65° f retaining vibrant fruit esters. In blending this wine we chose Pinot Noir and Chardonnay lots that were a bit shy by nose with a touch of 'fruit forwardness' resulting in a sparkling wine that shows wonderful complexity that is rich, nutty and toasty with a hint of fruit. The dosage for this wine is 8 mls of BDb LEX, 8 mls of Rued Chardonnay, 2 mls of 1986 LD Blanc de blancs.

Precision Winegrowing: At Iron Horse "Estate Bottled" means that the winemaking begins in the vineyard. Our location in Green Valley represents the very best soil, climate and aspects for Chardonnay and Pinot Noir. Our goal is to grow the best winegrapes through what we call "precision farming." All pruning, canopy management, irrigation and cover crop decisions are determined on a block-by-block (and sometimes even vine-by-vine) basis, considering both the vintage at hand and the long-term needs of the land.

For Sparkling and Still Wine, Precision Harvesting is Key: Our only rule is to make the best wines we can. We wait until harvest to decide sparkling or still, as the main difference is the brix level (or the amount of sugar in the grapes, less for sparklings, more for still). Then our winemaker considers berry size (bigger is better for sparklings, smaller for still), the health of the canopy, clone selection, even small details such as the relative dampness of the cover crop can make a difference. If necessary, parts of the same block may be picked on different days.

Tasting Notes: Beautiful gold straw color with fine, persistent bubbles. The Classic Vintage Brut has aromas of green apple, honeysuckle, and a hint of fresh brioche. The inviting nose leads to flavors of baked apple on the front palate, with honeysuckle really shining through on the finish. This wine has bright acidity, a touch of creaminess, and a delicious long, lingering finish.
